

Spray It

DON'T BLOW IT.

Limited Time Offer · Convert Blown Straw to Hydraulic Mulch

It's Easy:

- Successfully convert a project specified for straw over to Profile® produced hydraulic mulch* – the #1 choice of hydroseeding contractors.
- Limited time offer – purchases need to be made between July 22 and August 30, 2019.
- Send in the “Spray It, Don’t Blow It.” rebate form with supporting documents.
- Get a rebate check for \$20 USD per ton!

*Excludes Cellulose hydraulic mulch; see back side for details.

Take advantage of Profile® hydraulics and get the **SPRAY** benefits:

Save Time and Money: Short supply and high cost have made straw mulching a difficult challenge.

Performance: Profile produced hydraulic mulch products are proven to provide:

Better yield coverage

Better protection

Better establishment

Greater productivity

Rebate: Receive BIG rebates when using Profile Products' manufactured hydraulic mulches.

Always Efficient: Hydraulics provide better coverage over rough terrain.

Your Peace of Mind: Reduce the potential of callbacks with proven superior vegetation establishment.

Call Profile Products or your Profile Distributor for details or if you have questions.

Profile® is Offering Money Back on Conversion of Straw Project to Hydraulically Applied Products
